TPMS SERVICE KIT BOX

Wichtig
Bei jedem Reifenwechsel müssen die Verschleißteile des TPMS erneuert werden. Die Drehmomentvorgaben der Sensor-Hersteller sind einzuhalten!
Important
At each tyre change the wear parts of the TPMS must be replaced. The torque specifications of the sensor manufacturer must be observed!
Important
Lors de chaque changement de pneu les pièces d'usage de TPMS doivent être remplacées. Les spécifications de la valeur torque du fabricant des capteurs doivent être respectées!
Important
Durante ogni cambio pneumatico le parti della valvola del sensore TPMS sono da sostituire con appositi ricambi. Si debbono utilizzare coppie di serraggio fissate dal costruttore del veicolo.
Important
Sustituir las piezas de desgaste de las válvulas TPMS en cada cambio de neumáticos. Observar las especificaciones del fabricante del sensor respecto al par de apriete de los diferentes componentes.
